PSP/RTKL Request № 2018-1147

Dear Mr. Maass:

On December 13, 2018, the Pennsylvania State Police (PSP) received your request for information pursuant to the Pennsylvania Right-to-Know Law (RTKL), 65 P.S. §§ 67.101 - 3104, wherein you state:

I hereby request the following records:

Materials related to this agency's acquisition of, preservation of, or disclosure of automated license plate readers (APLR) or ALPR data;

1. Policies related to the adoption of ALPR technology, including those guiding the procurement process or necessary administrative obligations before acquisition.
2. Training policies, requirements, and materials for automatic license plate reader system operators.
3. Databases used to compare date obtained by the automatic license plate reader system.
4. Policies related to the retention and security of captured ALPR data, including those regarding:
  - The length of time after capture that date may be preserved
  - Exceptions to general data preservation policies
  - Internal data security and access
  - Data destruction
5. Policies related to the sharing of captured ALPR data by this agency with other agencies, including those directing:

- The manner in which another agency may request data
- The circumstances under which captured data may be shared, and
- The responsibilities of the recipient agency in regards to data retention and use.
- Access by this agency to data obtained by automatic license plate reader systems not operated by the law enforcement agency.

Please also provide the number of requests made by outside agencies, if applicable.

6. Policies related to the sale of data or the sharing of data with non-law enforcement actors.
  - If applicable, please provide all agreements between this agency and non-law enforcement actors.
7. Policies regarding oversight of automatic license plate reader system use.
8. Audit Reports
9. Policies related to maintenance and calibration.

Please also provide maintenance and calibration schedules and records for the system on file.

10. Any other policies or reports on subjects related to automatic license plate reader system used by the agency.

The requested documents will be made available to the general public and this request is not being made for commercial purposes.

Under the RTKL, a written response to your request is due on or before December 20, 2018.

Under the provisions RTKL section § 67.902(b)(2), you are hereby notified that your request is being reviewed and the PSP will require up to an additional 30 days, i.e., until January 22, 2019, in which to respond to your request. Should your request be granted, the total for the estimated or actual fees owed, if any, will be included in our subsequent response. The reason for requiring additional time for a final response is checked below:

- Compliance with your request may require the redaction of certain information that is not subject to access under RTKL.
- Your request requires retrieval of one or more records that are stored at a remote location.
- A response by the mailing date of this letter could not be accomplished due to bona fide staffing limitations. In particular, \_\_\_\_\_.

- Your request is under legal review, which is necessary to determine whether a requested record is a "public record" for purposes of the RTKL.
- Your compliance with the following agency policies is required for access to the record(s): \_\_\_\_\_
- You must pay the applicable fees authorized by the RTKL.

X The extent or nature of the request precludes a response within the required time period.

Should you have any questions regarding this letter, please contact the undersigned.

Sincerely yours,

William A. Rozier, J.D.
